### **A-1 Joe, KSO**

This phrase is from the "*The Blue Moon Train*" episode of "*Cimarron Strip*", a TV western series (1967-1968) starring Stuart Whitman as the marshal of the Cimarron Strip, Jim Crown.

"A-1" Joe Lehigh is a hardened outlaw, played by Broderick Crawford, who can be relied upon to "help his friends"; and consequently has earned the title of "KSO", which is prison slang for "First Class Outlaw".

In this episode, A-1 Joe, KSO, tries to engineer the escape of several convicted felonious friends from the train which is transporting them to another prison - he is unsuccessful because of the intervention of marshal Crown.

The compiler has not been unable to locate other references to this phrase or acronym.
