Introduction

Please Note:

The following material is offensive and does not reflect, in any way, the Compiler's personal opinion or esoteric viewpoint. It is presented here for academic interest only

The following material is a compilation of distasteful humour which apparently illuminates race/culture stereotypes. This material is given for academic interest only, and it is up to the reader as to what stereotypical conclusions are reached and the validity thereof.

Race Stereotype Example:

HEAVEN is where the police are British, the chefs Italian, the mechanics are German, the lovers are French, and it's all organised by the Swiss.

HELL is where the police are German, the chefs are British, the mechanics are French, the lovers are Swiss, and it's all organised by the Italians.
